

SPIRITUAL JOURNEY

COMMITMENT

Permission to Build

I declare that we will be given permission to build the vision God gave us. All permits and permissions will be granted quickly.

Provision to Build

I declare God's vision has God's provision. We receive the harvest based on seeds sown. It will come in when we need it in order to build with excellence.

Protection to Build

I declare we have protection against any attack of the enemy. No attack of the enemy will stop the vision God has given us to build this building.
